

DRAP Product Registration — Supporting Document

Test file generated for SafeDose admin panel upload testing (not an official DRAP filing)

Manufacturer Information

Company Name	The National Absorbent Cotton Mills Co.
Address	A/37, S.I.T.E, Karachi-75700, Pakistan
DRAP License No.	ELM-0009
Registration No.	MDMR-000209
Certifications	ISO 13485, ISO 9001

Product Information

Product Name	Gauze Swab / Sponge (White Lily brand)
Specification	10cm x 10cm, 8 PLY, U.S.P Type IV
Sterility	1 Piece, Sterile (EO — Ethylene Oxide sterilized)
Material	100% Cotton
Barcode (GTIN/EAN)	8964000183108
Batch Code (test)	WL-GZ-2025-047
Manufacture Date	01-Feb-2025
Expiry Date	01-Feb-2028

Storage Instructions

Store in a cool and dry place. Protect from moisture and heat. Prolonged storage under oily or waxy conditions will reduce/eliminate the absorbency of the product. Sterility guaranteed unless the envelope is opened or damaged.

This document was generated as sample test data for the SafeDose DRAP Batch Registry 'Supporting Document' upload feature. Use the Batch Code, Product Name, Manufacture Date, and Expiry Date fields above to manually fill the corresponding form during testing.
